EDUCATION

PH.D., MASS COMMUNICATION, AUGUST 2017

School of Journalism and Mass Communication
College of Liberal Arts and Sciences
University of Iowa

Focus: Environmental Communication

Dissertation Title: Media, influence, & agriculture: Understanding the clashing communication about Iowa's water quality crisis

Advisor: Dr. Kajsia E. Dalrymple

M.P.H., COMMUNITY AND BEHAVIORAL HEALTH, MAY 2013

Department of Community and Behavioral Health
College of Public Health
University of Iowa

Practicum Title: Guarding Haiti's water: Program reimplementation and formative evaluation of Gadyen Dlo

Advisor: Dr. Shelly Campo

B.A., COMMUNICATION STUDIES, JULY 2007

Department of Communication Studies
College of Liberal Arts and Sciences
University of Iowa

Emphasis: Women's Studies

Minor: Art

WORK EXPERIENCE

ACADEMIC

Director of MA in Strategic Communication Program, October 2022 – Present
School of Journalism and Mass Communication, College of Liberal Arts and Sciences
University of Iowa, Iowa City, IA

Administrative leader of the degree program. Manage and review all program faculty, lead recruitment and marketing efforts, review all program applications, chair the application committee, advise all currently enrolled students, and oversee and organize alumni outreach and fundraising efforts. Established first program advisory board, spearheaded first program fundraising efforts, and organized several in-person events, including professional development sponsorships and alumni reunions.

Assistant Professor of Instruction, MA in Strategic Communication, October 2022 – Present
School of Journalism and Mass Communication, College of Liberal Arts and Sciences

University of Iowa, Iowa City, IA

Primary instructor for the fully online MA in Strategic Communication program, currently teaching a 2:2:1 load, including core courses, program electives, innovative new (“Topics”) courses, and advisor for student research and independent study projects.

Consultant (Research and Publication), June 2022 – March 2024

Department of Emergency Medicine

University of Florida, Gainesville, FL

Conducted in-depth interviews of emergency room physicians and provided qualitative research and writing guidance for project titled “Communication and Discharge Decision Making for Diverse Populations of Febrile Infants.”

Director of Strategic Communication Program, May 2018 – August 2022

Communication Department

Flagler College, St. Augustine, FL

Scheduled four full-time program faculty each semester, worked closely with department chair to coordinate class/student needs, provided approval/coordination for student administrative requests, and represented the major during leadership meetings and for recruitment purposes. Also, led two comprehensive curriculum revisions, successfully updated the program requirements and created a Strategic Communication Minor.

Assistant Professor of Strategic Communication, August 2017 – August 2022

Communication Department

Flagler College, St. Augustine, FL

Consistently taught 4-5 courses per semester, including general education and upper-level courses for majors, specialized context courses, senior capstone, and advising undergraduate communication and honors program students. Taught additional 1-2 online courses during summer terms.

Research Assistant, January 2015 – July 2017

School of Journalism and Mass Communication

University of Iowa, Iowa City, IA

Investigated key indicators of conservation practices among agricultural producers and made recommendations to improve science communication efforts related to Iowa’s water as part of a National Science Foundation ‘Water Sustainability and Climate’ grant (No. 1505309, “Decision Processes, Climate Change, and Water Resources in the Agricultural Midwest”).

Instructor, Media Uses & Effects, May 2016 – June 2016

School of Journalism and Mass Communication

University of Iowa, Iowa City, IA

Stand-alone course instructor for six-week summer session with 17 undergraduate students. Introductory media effects class focused on social science research methods and mass communication theory.

Research Assistant, Great Plains Center for Agricultural Health, Summers 2013, 2014, 2015

College of Public Health

University of Iowa, Iowa City, IA

Helped develop survey instruments, recruit participants, and collect data regarding farmer communication preferences. Also led focus groups, conducted other miscellaneous evaluation activities, and designed promotional materials for the center.

Teaching Assistant, Media Uses & Effects, August 2013 – December 2014

School of Journalism and Mass Communication

University of Iowa, Iowa City, IA

Assisted Professor Kajsa E. Dalrymple for large (~300 student) undergraduate course for three semesters. Lectured and graded independently for two weekly discussion sessions of ~25 students each.

Research Intern, American Academy for Pediatrics (Iowa Chapter), August – October 2013

Carver College of Medicine

University of Iowa, Iowa City, IA

Worked to help document and write policy brief on the Youth and Violence Conference at the University in September 2013.

Project Assistant, Injury Prevention Research Center, July 2012 – January 2013

College of Public Health

University of Iowa, Iowa City, IA

Assisted with survey development and recruiting for project exploring intimate partner violence among pregnant women.

Research Assistant, Environmental Health Sciences Research Center, March – Dec 2012

Occupational and Environmental Health Department

College of Public Health, University of Iowa, Iowa City, IA

Worked on collaborative project with the Iowa Flood Center to input public health information to new web-based flood-relevant platform (Iowa Flood Information System, IFIS).

Visual Designer, March – April 2012

Community and Behavioral Health Department

College of Public Health, University of Iowa, Iowa City, IA

Graphic design work for Professor Shelly Campo on ‘Avoid the Stork’ campaign (to decrease unintended pregnancies).

Teaching Assistant, India Winterim, November 2011 – January 2012

Department of Civil and Environmental Engineering/IIHR

University of Iowa, Iowa City, IA

Administrative, organizational, and financial accounting duties for India Winterim course on water resources and sustainability in Haryana, India.

PROFESSIONAL

Executive Director, WaterWoman Sustainability Education, Inc., December 2019 – Present

Founded 501(c)(3) non-profit dedicated to educating, engaging, and empowering children to help end the global water crisis. The organization sponsors the development of *The Adventures of WaterWoman*™ educational series.

Medical Coordinator, Clinix Health Services, Centennial, CO, February 2010 – July 2011

Health communication liaison between doctor and patient. Provided patient care and coordination, including patient education, health screenings, vitals measurement, procedure assistance, vaccination administration, diabetes management, EMR maintenance, and new employee training at a Patient-Centered Medical Home.

Legal Secretary, Eley, Galloway, & Trigg, LLP., Denver, CO, October 2008 – January 2010

Completed administrative, secretarial, and receptionist duties for law firm of workers' compensation attorneys.

Legal Secretary, Michael M. Noyes, Attorney at Law, Denver, CO, March – August 2008

Worked as general assistant, receptionist, and secretary for bankruptcy and tax attorney.

Community Organizer, Colorado Citizen's Campaign, Denver, CO, August – October 2007

Worked on community mobilization, disseminating environmental health information to unify citizens with policy makers to require a major industrial polluter to reduce air emissions.

COURSES TAUGHT

GRADUATE-LEVEL

Strategic Communication for Sustainability (*Summer 2024*)

Foundations of Strategic Communication (*3 Semesters, 2023-2024*)

Capstone Project in Strategic Communication (*2 Semesters, 2023-2024*)

Masters Research (Independent Study, *Spring & Fall 2023*)

Strategic Communication Campaigns (*Fall 2023*)

Strategic Communication Externship (*Summer 2023*)

Writing for Strategic Communication (*Spring 2023*)

Risk Communication (*Spring 2023*)

UNDERGRADUATE-LEVEL

Strategic Communication for Water Sustainability (**Course developer: Study Abroad in Jordan, 1 semester (2-week May term), 2022.*)

Senior Portfolio Strategic Communication/PR (*3 semesters, 2021-2022*)

Health Communication (*2 semesters, 2019-2021*)

Foundations of PR/Strategic Communication (*12 semesters, 2017-2022*)

Introduction to Media (*6 semesters, 2017-2022*)

Advanced Writing and Production for PR/Strategic Communication (*6 semesters, 2019-2022*)

Risk Communication (*2 semesters, 2018-2021*)

Media Literacy (*3 semesters, 2018-2020*)

PR/Strategic Communication Campaigns (*1 semester, 2018*)

Digital Media for PR/Strategic Communication (*1 semester, 2017*)

Media Uses and Effects (*Instructor, 1 semester, 2016*)

Media Uses and Effects (*Teaching Assistant, 3 semesters, 2013-2014*)

India Winterim: Development of Resilient and Sustainable Agricultural Watersheds (*Teaching Assistant, Study Abroad in India, 1 semester (3-week January term), 2012*)
